

THE BATH FRINGE FESTIVAL

MAKING ARTISTIC PERFORMANCE
THE CENTRE OF ATTENTION

We have supported the Fringe for 14 years now because we feel it is the best value for money festival in town, given its very limited means. It is amazing what that small team achieves every year!

**THIS YEAR, WE ARE
DOUBLING OUR
CONTRIBUTION.**

OUR RICH HISTORY

Like the city of Bath itself, Bath Fringe has a rich history, albeit not quite as long - Bath has been a 'City of Culture' since before the Romans.

More recently Bath Fringe Festival has built a reputation for developing art forms, events and audiences that have since become mainstream. At our heart, the Bath Fringe offers an alternative establishment for art both locally and nationally.

TRUE TO THE NAME, THE BATH FRINGE UNLOCKS NEW AND ENGAGING ART FORMS AND CHALLENGES MAINSTREAM INTERESTS FOR SOMETHING DIFFERENT.

BEHIND THE SCENES?

We established as a cooperative in 1992, building on the success of an earlier Bath Fringe (from 1982), and inspired by the Bath Arts Workshop & Walcot Festivals of the 1970s - especially in their interest in Outdoor Arts and working in the Community - and the famous Bath Blues Festivals of 1969 & 1970 (which in turn inspired Glastonbury).

We are managed by a voluntary committee of 10 people including our two part-time workers, along with other volunteers that help during the festival. Bath Fringe Festival runs in association with FaB – Fringe Arts Bath, the visual arts organisation that runs a parallel festival - and Streets Ltd., an arts charity supporting & developing high-quality regional, national and international street theatre in Bath.

FROM THE FRINGES

The Bath Fringe is a festival of all the arts, with few rules as to what should be in or out! It is what people want to do, and what venues in Bath want to show. The varieties are endless and it's never the same twice.

We are a Fringe of the 'classic' nature (like Edinburgh, Brighton & so on) and among the principles of a Fringe, is that anyone can put an event into festival. If it can be organised, it can be part of the show. In practice, most art shows and performances are hosted by Bath venues, local promoters, or by the artists themselves!

WHAT STANDS OUT

Bedlam Fair

The Fringe's flagship event, which normally sits on its middle weekend, a free outdoor arts event in the city centre, run with collaboration from local businesses, the local authority and BID. It has a strong regional & national profile and has been the heart of the Bath Fringe

Festival. Please Note that this event needs a substantial budget and may not run in 2024 unless major sponsorship or collaboration is found.

Big Gig

Bath Fringe Festival presents notable artists from genres of music, which are not heard in Bath regularly year-round. Genres like world music, contemporary jazz, folk, electronica and cult artists.

Fake Escape

A company formed specifically to perform in Bath Fringe and to create a new writing / new performer / immersive & installation theatre events unique to the festival. Now their 10th Anniversary, undistracted by successes, they plan to create something

bigger and madder with Bath Fringe for 2024, based on the High School Musical template - but with undertones of Art and overtones of Outrage.

WHAT STANDS OUT

No Fit State Circus

Britain's foremost Circus / Theatre company, are long-time associates of Bath Fringe and - given the financial input - would need little encouragement to park their Flying Saucer tent in Bath for 10 days of their high-grade, high-production-value, high-skill, high-thrill

show - more rock'n'roll than red nose.

Tented Shows

We ran a Spiegeltent [2003-14], which offers a unique feeling as an intimate venue for a limited time only, that the City had to experience while it was there: mostly music and comedy. With a committed partner we could easily update the formula for 2024 and onward.

Outdoor Evening / Afternoon Experience

Often a highlight of the entire festival, these have taken place in Bath Parks, in the garden of the Holburne Museum, or under the glass canopy of Green Park Station; they

are often ticketed events and allow an audience to explore Outdoor Artforms at a higher artistic level and as a deeper experience.

Tech-based show – This is a way of incorporating innovative use of IT, digital and communications equipment into our work.

Immersive Show – Outdoor and installation-based work is ideal for this in-vogue performance experience style.

CHILDREN'S FESTIVAL

One of the big hits of 2023 was the return of our Children's Festival, a week of entertainment and activities under canvas over Half Term in a local park.

WE LIKE TO KEEP PRICES LOW TO KEEP IT SOCIALLY INCLUSIVE, AND TO MAKE GREAT DAYS OUT FOR ALL THE FAMILY. 2023 SAW 2400 HAPPY VISITORS.

FRINGE ARTS BATH

Fringe Arts Bath is a visual arts organisation that emerged from Bath Fringe Festival in 2007. A cheeky little sister of sorts, and working with the same fringe ethos, Fringe Arts Bath's free annual festival runs in parallel with Bath Fringe's dates.

Aiming to raise the profile of contemporary visual arts in Bath and beyond, Fringe Arts Bath provides early-career and emerging Curators and Artists with a platform for development as well as opportunities to test new ideas beyond the gallery-based arts scene. Fringe Arts Bath facilitates collaborative projects between Curators, Artists and commissioning bodies with their annual festival and creative projects throughout the year.

HOW WE KEEP FRINGE ALIVE

The Bath Fringe Festival has been a regular event in the City for many decades and is among the few truly fringe festivals.

OUR COMMUNITY AND ARTISTS INSPIRE OUR FESTIVAL PROGRAMME. Our vision for the future is to continue to offer a stage for self-expression and performance, and also ignite interest and foster curiosity in our audiences. The ideas and opportunities are infinite, given the resources: together we can create content to engage and entertain our audiences and communities.

WE ARE LOOKING FOR PARTNERS THAT SHARE OUR VISION FOR FRINGE PERFORMANCES AND ARE INTERESTED IN JOINING US ON THIS VOYAGE OF SELF-EXPRESSION.
